1. Introduction:

Adani TotalEnergies E-Mobility Ltd (ATEL) is a fully owned subsidiary of **Adani Total Gas Limited** and developing **EV Charging Infrastructure** across India. EOI is for consultancy for electric power connection services for electric vehicle charging stations.

2. Scope of Work:

2.1. Application filling for new EV connection.

- i. Intimation of Location to LEC by ATEL
- ii. LEC to provide the list of mandatory compliance documents applicable w.r.t DISCOM to the ATEL Team.
- iii. ATEL will provide the necessary documentation required for filling the EV application to LEC.
- iv. In case of any incomplete / OR Specific documentation required by the respective DISCOM in the state – LEC will support collection of said documentation from the respective Location Partner as an additional scope.

TAT : 3 Working Days w.r.t Date of Intimation by ATEL

2.2. Mapping of respective DISCOM organization

- i. Sub-division office.
- ii. Division office
- iii. Circle office
- iv. Submission of Contact details of DISCOM dealing office to ATEL Project Manager

2.3. Documentation and mandatory compliance.

2.4. Site survey & demand note generation.

2.5. Follow up with the ATEL team for payment against the Demand note.

2.6. In case of exorbitant SLD charges - liaisoning with DISCOM officials for revision of Demand Note.

2.7. Payment Submission and acknowledgment

2.8. Follow up for meter release & commissioning

2.9. Follow up for electrical auxiliary equipment like H-Pole, Transformer, etc, (if applicable as per the site survey)

2.10. Test report endorsed by applicable competent authority.

2.11. Final commissioning EV connection

3. Evaluation Criteria:

- Vendors should have prior experience for obtaining LT power connection for EV Charging Stations in a timely manner.
- Should be conversant with working methodology of the respective DISCOM.
- Shall be considered for the States where prior experience is available and documentary evidence is shared.

4. Submission Requirement:

- Company Profile
- Experience letters of similar carried out works.
- Copies of Purchase orders of similar carried out works.
