## 1. BRIEF PROFILE

Adani Total Gas Ltd. (ATGL) is one of leading City Gas Distribution (CGD) companies In India. ATGL has been granted authorization to commission city gas infrastructure and supply natural gas in 19 Geographical Areas (GA), in Gujarat, Haryana, Karnataka, Tamil Nadu, Rajasthan, Madhya Pradesh, Uttar Pradesh, Chhattisgarh, Maharashtra, Assam and other GAs.

It currently operates more than 300 CNG (Compressed Natural Gas) Stations and has laid Natural Gas Pipeline Network of over 8000 kms to supply Piped Natural Gas to more than 5200 Industrial / Commercial Customers and 5.06 Lakh Domestic (Residential) Customers.

To promote economical and eco-friendly CNG fuel for the benefit and convenience of the passenger vehicles, commercial as well as public transport, ATGL intends to set up CNG Stations in the new and existing GA's through the Dealer Owned Dealer Operated (DODO) model. For this purpose, ATGL wishes to appoint Dealers at various locations in its authorized areas.

Applications from individual/partnership firms with sufficient financial background and access to land (Owned/Leased and preferably NA) are invited.
